## Go Through! Go through the Gates! Receive Strength For Your Future!!

2018 is the year of Doors, Gates, Angels, Wealth, War, and the Keys to overcoming. This is a year of New Beginnings. Familiar spirits from our past can keep us from moving into the NEW that God has for us. This is a season to break captivity and move forward into your promises. We are being favored to overcome!! In this season of Breakthrough, we cannot fear the conflicts ahead because it's those conflicts that are going to unlock our provision and our promises. This year is about two generations fully aligning to regain what has been lost! Restoration does not just bring back what is lost, it brings you back seven times more. Come receive a fresh empowering in the Presence of the Lord as we worship and are equipped together for what God has ahead for each one of us!! *"Go through the gates! Prepare the highway for my people to return! Smooth out the road; pull out the boulders; raise a flag for all the nations to see..... Look your Savior is coming."* Isaiah 62:10 NLT
